Family Home Evening Inspiration for Everyone — Do you ever feel stuck in a rut in your efforts to hold family home evening? Maybe all you need are some fresh ideas and new perspectives! Family home evening can be approached in a variety of ways. Come gather inspiration for single individuals, couples, and families with young children, and create magical memories next Monday night! (*Trisha Smith-Pierce, Relief Society Room*)

Three Cheers for Moms! How to Find Nobility in Motherhood — Being a mother is the most sacred, important, rewarding experience that the Lord has given to women. So why is it that we sometimes feel discouraged, unappreciated, exhausted or frustrated with the repetitiveness of our work and the constant demands placed upon us? Come join a heartfelt discussion with other moms and share inspirational ideas and teachings from the prophets that remind you why you're a mother and why you wouldn't choose anything else! (*April Perry, Cultural Hall*)

The Proclamation: A Guide to Building a Celestial Home — “Only the home can compare with the temple in sacredness,” the Bible Dictionary tells us. Even when our homes aren't clutter-free or full of peace all of the time, we can learn how to recognize the sacred nature of our tiny apartments and work toward making them heaven on earth. (*Jennica Gallovan, Cultural Hall*)

Planning for Success — It has been said that “Behind every successful man is a surprised woman”! But I think that behind every successful man is a thoughtful and organized woman! Whether you are planning an elegant business dinner for your husbands work associates, a neighborhood social, a vacation with the family or a romantic night out for two, this workshop will teach you that with a little thought and effort you can make any gathering a successful event! (*Alexis Snow, Relief Society Room*)
